ISHMAEL AVUI
Permanent Secretary,
Public Service Department
6 February 2006

[22]

**AMENDMENTS TO THE GENERAL ORDERS
CHAPTER B**

CHAPTER B: SECTION 1: APPOINTMENTS

General Order B-107 will now read:

Selection and recommendations to the Public Service Commission will be on the basis of merit and with due regard to the need to be inclusive of men, women, workers from the provinces and people with a disability (Reference: Public Service Commission Regulation 21).

Subject to the provisions of the Constitution and the relevant Acts and Regulations, the appointment process will be different for the following levels:

(a) Level 1 - 2

These posts are non-established posts and are referred to in Chapter S of these General Orders. The recommendations for appointment to a non-established post do not go to the Public Service Commission. Permanent Secretaries will make recommendation for appointment to the Permanent Secretary for the Public Service who has the power to make the appointment.

(b) Level 3 - 13

Permanent Secretaries have the authority to initiate and manage the selection processes and make recommendations for all appointment to the Public Service Commission.

(c) Level - SSI

Permanent Secretaries have the authority to manage the selection processes and make recommendations for appointment to the Permanent Secretary for the Public Service. The Permanent Secretary for the Public Service will submit the recommendation to the Public Service Commission. The Public Service Commission will consider the submission and appoint or promote suitably qualified candidates to vacant offices at this level.

Non-nationals shall only be appointed where the Commission is satisfied that no qualified national is available. Such an appointment can only be on a non-permanent basis for such time as may, in the view of the Commission, be necessary to obtain a qualified Solomon Islands Officer (Refer: Public Service Commission Regulation 21)

APPOINTMENT PROCEDURE

General Order B-109 will now read: The procedure to be followed to fill vacan-

cies in the Public Service shall be as prescribed in the appropriate Commission's Regulations. When a vacancy occurs, a Permanent Secretary should consider whether the vacant post should be filled and if so in what manner.

- (a) Permanent Secretaries are to ensure that all job descriptions are up to date and include objective selection criteria that enables panels to rate one candidate against another.
- (b) Permanent Secretaries will advertise all establishment vacancies publicly, unless filling with a temporary officer for a period under three (3) months. Within their submission to the Public Service Commission when making recommendation for an appointment, they must include the advertising strategy for each vacancy. (Refer: Public Service Commission Regulation 19).
- (c) Permanent Secretaries must ensure that the selection processes, for which they are responsible, must be based on merit and be transparent and accountable.
- (d) In most cases, a panel will be established in line with the requirements of the relevant Commission Regulations. If selection takes place without a panel process, the Permanent Secretary's submission to the relevant Commission must include the reasons for that approach.
- (e) Permanent Secretaries will submit their recommendation to the relevant Commission in line with the requirements of the Regulations and any procedures provided to them by the Permanent Secretary to the Public Service.
- (f) A copy of all submissions from Permanent Secretaries to the relevant Commission will be provided to the Permanent Secretary for the Public Service.

General Order B-113 will now read:

The minimum standard of education and qualification required for entry into established office in the Public Service are set out in the relevant scheme of service, which shall be consistent with the criteria laid down in the paper entitled '*New Policy for the structure of the Public Service*' (National Parliament paper No. 34/92) or any recent amendment.

Where no scheme of service has been published, the alternative standards shall be prescribed by the Permanent Secretary for the Public Service, after consulta-

tion with the relevant Permanent Secretary, with the concurrence of the appropriate Commission in each case.

A Permanent Secretary may seek to appoint a candidate who has less than the minimum entry requirements if there are no suitable qualified candidates. In making their recommendation to the relevant Commission, the Permanent Secretary must make note of the fact that the recommended candidate is not meeting the minimum entry requirements but is deemed to have sufficient experience to be able to undertake the job successfully. The relevant Commission will consult the Permanent Secretary for the Public Service before making the appointment.

General Order B 118

SPECIAL APPOINTMENTS

The Permanent Secretary of the relevant department should seek the prior approval of the Permanent Secretary for the Public Service before making a submission to the relevant Commission on the appointment or re-appointment of any one who :

- (a) has previously been employed in the Government service and been dismissed or called upon to resign or resign there from ; or
- (b) has retired from the Government service and is in receipt of a pension or annual allowance; or
- (c) has been convicted of a criminal offence other than a minor motor traffic offence.

OFFER AND ACCEPTANCE

Appointments are effective when a written offer has been made by the Permanent Secretary for the Public Service and accepted in writing by the candidate. Office of appointments to the candidates shall be made using the approve standard letter of offer.

CHAPTER B: SECTION 2. PROBATION

General Order B-201 will now read:

All first appointments to permanent and non-pensionable office shall be preceded by a six (6) month probationary period, which shall count from the date of appointment. The relevant Commission may determine to extend the probation-

ary period on the advice of the relevant Permanent Secretary.

General Order B-203 will now read:

It is the responsibility of the relevant Permanent Secretary to ensure that probationary periods are well managed. When an officer is appointed on probation, there is a clear implication and understanding that the officer may count upon being confirmed and admitted to the permanent and non-pensionable office. However, the appointment remains conditional upon that officer adhering to the ethics and values of the Public Service and carrying out all responsibilities during the probationary period in a manner which is acceptable to management.

General Order B-204 will now read:

The relevant Permanent Secretary must ensure that every probationary officer has a specified supervisor/manager.

- (a) This supervisor/manager is to be assigned for the period of probation, so as to work closely with, provide on-the-job training, advice and timely feedback to the probationary officer.
- (b) The probationary officer's supervisor/manager will provide leadership to the officer and ensure that any opportunities for improvement are identified and supported.
- (c) The probationary officer's supervisor/manager will be monitored by the Permanent Secretary for their effectiveness of their support to the probationary officer.
- (d) Every probationary officer will be provided with an induction program that covers the function and operations of their department and the responsibilities of their unit/Division and their post. This induction will include information about all Acts, regulations, rules and orders that relate to their job.

General Order B-206 will read:

The relevant Permanent Secretary shall submit the final report on the probationary officer under GO B-501 to the Public Service Commission confirming the appointment, seeking an extension or recommending termination.

CHAPTER B: SECTION 3 SENIORITY**General Order B-301** will now read:

Seniority shall normally be determined by the effective date of appointment of an officer in his or her substantive grade. Officers can transfer from one cadre, group or class to another at the same grade level, if they are qualified and the transfer would be in the public interest, and retain their seniority.

CHAPTER B: SECTION 10. TEMPORARY APPOINTMENTS**General Order B-1002** will now read:

All appointments whether temporary or permanent shall be on the basis of merit. Appointments on temporary terms of service against a vacant established post may be made by the Commission after consideration of the recommendation made to them by the Permanent Secretary. The process shall be:

- (a) Up to three (3) months can be filled at the Permanent Secretary's discretion, with an advertising process.
- (b) If the temporary appointment is proposed to be over three (3) months but less than six (6) months, then the procedures for selection must demonstrate that a fair equitable selection process has been undertaken:
- (c) Between three (3) to six (6) months-the vacancy must be advertised using at least one form of advertisement.
- (d) If the temporary appointment is proposed to be more than six (6) months, the vacancy must be advertised in line with the requirements of GO Chapter B-109.

PROCEDURES FOR MAKING APPOINTMENTS**General Order B-1003** will now read:

Appointments on a temporary basis may be made to a vacant established post. In the submission by the relevant Permanent Secretary to a commission seeking the appointment to be approved, the reasons for determining to appoint on a temporary basis must be explained. Where it is envisaged at the outset that a temporary appointment is likely to continue for a period exceeding six (6) months, the relevant Permanent Secretary shall forward the recommendation for filling the vacancy to relevant Commission.

Should the Commission require further information or advice, they will request this from the Permanent Secretary for the Public Service, before making a decision. If a temporary appointment has been made for less than six (6) months and the Permanent Secretary is seeking to have the appointment extended, the Permanent Secretary for the Public Service will be required to provide advice to relevant Commission, before a decision is made on the extension by that Commission. Close monitoring will ensure that this will not be a process used to avoid undertaking a selection process based on merit.

General Order B-1008 will now read:

A copy of all submissions from Permanent Secretaries to the relevant Commission in respect of the temporary employees will be provided to the Permanent Secretary for the Public Service.

TOWN AND COUNTRY PLANNING ACT

HONIARA CITY COUNCIL TOWN AND COUNTRY PLANNING BOARD CHINATOWN REDEVELOPMENT PLAN

In accordance with Section 11 of the Town & Country Planning Act, the Honiara Town and Country Planning Board has adopted a draft policy on the redevelopment of Chinatown, to be treated as an amendment to the Honiara local planning Scheme. This policy details how Chinatown should be rebuilt, and includes controls on the use of land, the standard of buildings, and the provision of public services. This policy aims to ensure that Chinatown is rebuilt in an orderly manner.

The Board has had to balance the need for a redevelopment policy against the desire of property owners to start rebuilding as soon as possible. The result is this process, which commenced on 19th June and is expected to be finalised by late September. Following this process, the public have had two opportunities to express their opinions on how Chinatown should be redeveloped: the first was in late June / early July, and this second chance is right now.

The draft policy is available for viewing at the Honiara City Council's Physical Planning and Building Services Department during business hours. Members of the public who are interested can come to the office and view the proposed policy. Chief Physical Planner Arlene Ben Lingo wishes to inform the public that their comments will be valued and will be reported to the Board before a final decision is made on the Chinatown redevelopment policy.

Please write your submissions to:
