(c) receives a requisition signed and supported by an affidavit by

not less than one-tenth of the shareholders holding not less than one-tenth of the issued share capital of an insurer, that an investigation be held into its affairs,

he may, after consultation with the Minister and after giving the insurer a reasonable opportunity of making representations, investigate or order an investigation by any person.

- (7) If, as a result of a report on an investigation made under subsections (1) or (2), the Controller considers that it is necessary in the interests of the policy holders that an insurer be wound up, or if the insurer fails to comply with any directions issued under subsection (6), the Controller may, after giving the insurer a reasonable opportunity of making representations, apply to the High Court for an order for the winding up of the insurer, in which case the provisions of the

Companies Act relating to the winding up of a company (as varied by Part VII of this Act) shall apply.

- (8) Where, after reading a report made under this section, the Controller considers that a requisition under paragraphs (b) and (c) of subsection (1) has been made without reasonable cause, he may order that the whole of any part of the amount furnished as security under subsection (4) shall be forfeited and paid to the insurer and the Controller in order to defray the respective costs incurred by them.
- (9) When an investigation is made under subsections (1) or (2) of this section, section 161 of the *Companies Act* shall apply as they apply to an investigation made under section 160 of the *Companies Act*, and all expenses of and incidental to such investigation shall be defrayed by the insurer and shall have priority over the other debts due from the insured.

PART III REGISTRATION OF INSURERS

10 Only a body corporate can carry on insurance business

- (1) Save as otherwise provided in this Act, only a person who is a body corporate complying with the provisions of this section and is registered by the Controller shall, on or after the appointed date commence, transact or carry on any insurance business other than reinsurance business or insurance business exempted under section 11:
 - (a) in Solomon Islands, whether in respect of Solomon Islands business or otherwise, or
 - (b) outside Solomon Islands, in respect of Solomon Islands business.
- (2) Any person who commences, transacts or carries on any insurance business without having first been registered under the Act shall be guilty of an offence and shall be liable on conviction to a fine not exceeding five hundred dollars, and if the offence is a continuing one, to a further fine of fifty dollars for every day after the first during which the offence has continued.

- (3) Any person who, without the permission of the Controller, directly or indirectly transacts any Solomon Islands business in Solomon Islands or abroad, with or through any insurer, agent or broker who has not been registered or otherwise exempted under this Act, shall be guilty of an offence and shall be liable on conviction to a fine not exceeding five hundred dollars. For the purpose of this subsection "insurer" does not include a reinsurer or an insurer exempted under section 11.
- (4) Nothing in this Act shall be deemed to prohibit or otherwise render unlawful the continuance of insurance business in Solomon Islands by an insurer in so far as it is necessary to maintain without renewal a policy or contract of insurance effected or renewed by that insurer before the appointed date. So long as any liability upon such policy or contract of insurance remains unpaid or undischarged this Act shall apply to such insurer unless the Controller specifically grants exemption therefrom or from any provisions thereof.
- (5) For the avoidance of doubt it is hereby declared that the continued payment of a premium in respect of any policy relating to long term insurance business shall not constitute a renewal or revival of such policy or contract of insurance for the purpose of this section.
- (6) Where a long term insurance policy is in force on the appointed date and the insurer does not seek registration under this Act, such insurer may, with the consent of the insured:
 - (a) transfer or assign such policy to an insurer registered under this Act; or
 - (b) permit the policy to lapse or terminate the contract of insurance on the payment of any benefits due to the insured on the contract.
- (7) Where an insurance policy is transferred or assigned under paragraph (a) of subsection (6), all rights and obligations existing under such policy shall after such transfer be deemed to be that of the insurer registered in accordance with the provisions of this Act.
- (8) For the avoidance of doubt it is hereby declared that any transfer or assignment of policy or an agreement to permit the policy to lapse or terminate the policy under paragraphs (a) or (b) of subsection (6),

shall not, in any way absolve the insurer from any liability that may exist on the policy or contract of insurance at the time of such transfer or termination.

(9) Where an insurance policy is transferred or assigned under paragraph (a) of subsection (6), the Controller may, by order direct that all or any of the provisions of Part VI of this Act shall subject to such modifications and adaptations as may be necessary apply to such transfer or assignment.

11 Minister may exempt certain class of insurance

Where the Minister is satisfied that:

- (a) the existing facilities for certain class of insurance business are inadequate or that such facilities are not available in Solomon Islands; or

he may subject to such terms and conditions as may be prescribed exempt such class of insurance from the provisions of this Act.

12 Qualification for registration

No person other than a body corporate shall apply to be registered under this Act unless:

- (b) being a mutual association (wheresoever incorporated) has

assets in Solomon Islands the value of which is not less than such sum as may be prescribed.

- (2) The Controller may in writing require an applicant under this section to furnish him with such written information as he may require relating to the applicant or his insurance business and the Controller shall not proceed with the application until such information has been furnished to him.
- (3) An applicant who makes a false statement in an application for registration, or in written information furnished under subsection (2) shall be guilty of an offence, and shall be liable on conviction to a fine not exceeding five hundred dollars.

14 Registration of applicants

Where the Controller is satisfied that:

- (a) the volume of business which is likely to be available to, and the earning prospects of an applicant are adequate;
- (b) the class of insurance business in respect of which the application is made will be conducted in accordance with sound business principles;
- (c) the financial standing and the general character of management of the applicant are sound;
- (d) the qualifications of the principal officer are adequate and the powers and functions delegated to him are sufficient to ensure a prompt and efficient service;
- (e) the margin of solvency of the applicant is adequate;
- (f) the reinsurance arrangements of the applicant are adequate and otherwise satisfactory;
- (g) it is otherwise in the public interest that the applicant should be

registered in respect of the class or classes of insurance business specified in the application,

he may, subject to such terms and conditions as he may consider necessary, register the applicant in respect of such class of business as he shall direct:

Provided that the Controller shall not register any applicant if he is directed in writing by the Minister that such applicant should not be registered in the national interest.

15 Name of insurer

If the name of an insurer who has been registered is identical to a name by which another insurer has already been registered, or so nearly resembles it so as to deceive, the second registered insurer shall, if directed in writing to do so by the Controller and subject to the *Companies Act*, change its name within a time to be specified in such direction.

16 Issue of certificate

- (1) Upon the registration of an insurer, the Controller shall issue to it a certificate of registration which shall be kept at all times at the insurer's principal place of business and shall be produced upon request at any time to the Controller, or any person authorised by him for inspection.
- (2) The Controller may, on the payment of the prescribed fee, issue a duplicate certificate to replace a certificate which has been lost, destroyed or damaged or in any other case where he considers it to be necessary.

17 Renewal of registration

- (1) Subject to the other provisions of this Act, the registration of an insurer shall expire on the 31st day of December of the year in respect of which it is issued.
- (2) An application for the renewal of registration shall be made in writing to the Controller on or before the 30th day of September of the preceding year and shall be accompanied by the prescribed fee, but

the Controller may extend the time for making an application on payment of such additional fee not exceeding the prescribed fee as he may require.

18 Alterations in particulars

Whenever after registration of an insurer any circumstances arise which affect the contents of any documents or information furnished under section 13, the insurer shall forthwith furnish to the Controller full details of such circumstances.

19 Controller may give directions

Where the information furnished under section 18 disclose a change which, in the opinion of the Controller affects the proper conduct of the class of insurance business for which the insurer is registered under this Act, the Controller may, in consultation with the Minister, give such directions or take such action as appropriate.

20 Refusal to register or renew registration

Where the Controller refuses registration of an applicant or the renewal of a registration, he shall record the reasons for such decision and shall furnish a copy thereof to the applicant.

21 Cancellation of registration

- (1) The Controller, after giving an insurer a reasonable opportunity of making representations, may by notice in writing cancel the registration of such insurer, either totally or in respect of any particular class of insurance business as the case may be:
 - (a) if it appears to the Controller that the insurer has failed to comply with or acts in contravention of this Act other than a default mentioned in paragraphs (g) or (h) of this subsection;
 - (b) if the Controller has reason to believe that any amount due by the insurer under a judgment entered in an action in Solomon Islands arising out of any policy of insurance issued by the insurer has remained unpaid for three months after the date of the final adjudication in such action;

- (c) if the insurer carries on any business other than insurance business;
- (d) if the Controller is satisfied that the class of business of the insurer is not being conducted in accordance with sound insurance principles;

- (i) if the insurance business of the insurer has been transferred to any other person or amalgamated with the business of or wholly reinsured with any other person; or
- (j) where the Minister considers it otherwise in the public interest.

(2) Where in any case referred to in paragraphs (h) or (i) of subsection (1), the default or the return of the deposit, or the transfer, amalgamation or reinsurance relates only to one or more, but not all, of the classes of insurance business carried on by the insurer, the Controller may, upon the cancellation of the registration of the insurer re-register the insurer in respect of any class of insurance business and issue a new certificate in respect of that class of insurance business in accordance with section 14.

22 Further provisions regarding cancellation

The Controller may by notice in writing cancel the registration of any insurer, either totally or in respect of any particular class of business,

if the insurer requests in writing the cancellation of the registration.

23 Prohibition after cancellation

Notwithstanding the provisions of sections 20 and 21, the Minister may in writing permit an insurer whose registration has been cancelled to continue insurance business in Solomon Islands for such period as he shall specify, under the supervision of a person appointed by the Minister, in so far as the Minister considers that the continuance of such business is necessary for the maintenance of any policy or contract of insurance.

24 Change in the class of business

In any case where, in accordance with the provisions of this Act, a registered insurer either ceases to transact or carry on insurance business of any class or gives notice in writing to the Controller that he wishes to commence, transact or carry on insurance business of any other class not previously undertaken the Controller may, as the circumstances of the case require:

- (a) alter or vary the certificate of registration issued to such insurer; or
- (b) cancel such certificate and issue a new certificate of registration:
